

Explanation of the New Year 7 to 8 Report Format

Subject column denotes the subjects taken during the term.

Progress is worked out against pupils' KS2 starting points in Year 7 and the teachers' evaluation of how much has been learnt over the term.

Engagement with Learning is broken down into three areas. These: identify behaviour and concentration on tasks during lessons; the making of positive contributions during lessons to learning and how well pupils complete tasks at home.

Subject	Progress	Engagement with Learning		
		Focus	Contributions	Home Learning
English Language	Working At	1	1	2
English Literature	Working At	2	1	3
Math	Working Above	1	2	1
Science	Working Towards	3	2	2
Art	Working Above	2	3	1
PE	Working At	2	2	2
Tutor Comment		Z has settled in really well at Frederick Bremer. They have been attending all lessons on time with a positive attitude towards work.		

Tutor Comment has a specific focus for each term. In the first term this will reflect starting the school year, how well a pupil has settled down and any involvement in enrichment activities

Additional Information:

- The colours and numbers in the Engagement with Learning columns correspond to being above (dark green), at (green) or below expectations (amber)
- A key for the colours, progress, reading age and attendance are all on the front of the report.
